OPENING DAY TOURNAMENTS ~ MAY 4

John Maleno
President of the Board

message from the president

As I write this message I still see snow out my window, but I'm sure within the next couple of weeks we will be out there doing what most of us like best, golfing. It's going to be a great year to be a member at Lake View Country Club. At our annual meeting, coming up on Tuesday, April 29th at 6:30 PM, we will be sharing with you even more benefits for you as a member. The board has created a list of other activities that you can take advantage of for free or at a reduced rate that will be exclusive to Lake View members. We hope to continue to add to that list as the year progresses. We are also in the process of creating a "member to member" program where we will be encouraging members to do business with other members. We would expect that you will receive discounts from the member businesses that would not be available to non-members. We will be asking for member participation at the meeting.

A nomination committee has been formed chaired by Dave DiLoreto. Other members include William Steger, Dave Lynch, Eric Barzeski and Ed Koster. Three of the existing board terms are expiring and two of those members have decided not to run again. This gives you the opportunity to serve and

be part of the process. I encourage you to consider this position and contact myself or any member of the nominating committee and submit your name for nomination. We will be sending out a notice prior to the meeting with all names of those interested and qualified, and as always nominations will be accepted from the floor.

Once again I am asking for your help in membership. The board has sweetened the incentive for you to recruit new members. For each new golf member you will be issued a \$250 credit, each non-voting member a \$150 credit, and each social member a \$35 credit to your account at Lake View. Many of your friends would love to experience our quality golf course and great food. Please consider asking at least one person. We must increase our membership by at least thirty to meet our budget goals and keep pricing at Lake View affordable.

Hope to see all of you at the annual meeting!

PRO SHOP APRIL SPECIALS

Grip Sale

Check your grips, are they slippery or worn? Do you have the correct size? Did you know that too large a grip could increase the tendency to slice? Too small a grip can create too much hand action and a hook. You may be losing control of the club. Have the pro shop check. During April there are no labor charges for installation. New style grips are now in stock.

Imprinted and Logo Balls

Now that everyone is carefully marking his or her golf balls to prevent hitting the wrong balls, why not label them with your initials or nickname. There is no extra charge for this service and in fact you'll get the dozen price (\$2 off the price of 4 sleeves).

Steve Crane,
PGA Golf Professional

The pro shop will open as soon as the weather permits. Steve returns for year #19, assistant pros Joe Alonge and Adam Singer both are coming back to service your needs. We are already planning some new special events for 2008. Remember that we are the only private club that always has carts on at least nine holes.

TEE TIMES WILL NOT BE REQUIRED IN APRIL

Weekend tee times are enforced as per the Rules and Regulations in your Chip Shots. The pro shop will open at 12:00 on Mondays, 8:00 on Tuesdays - Fridays and at 7:00 on Saturdays & Sundays.

PRACTICE RANGE OPENS WEATHER PERMITTING

The practice range will be open as soon as the ground is firm enough so the range balls will not plug. As a rule of thumb, the range will be open except when the soil is too wet. Usually, when carts are not allowed on the front nine, the range will be closed.

The range will close two hours before sunset on Sunday, Tuesday, and Thursday. The following mornings are designated as mow days and the range must be picked clean on these nights.

CLUB STORAGE

is available to all members. The pro shop staff will store and clean your clubs after every round. The fee is \$85 (80.19 + 4.81 tax). It sure would be nice to just walk down the path, hop on your cart and go. When you are done, just park the cart in front of the pro shop and head upstairs. The fee may be paid in the pro shop or billed through your Country Club account. Storage also includes minor repairs, free use of a pull cart, and a set of name labels for your clubs.

HALF-PRICE MONDAYS

During April & May, guests green fees are \$27.50 on any Monday that an outing is not scheduled. The pro shop opens at 12:00.

APRIL is FREE FITTING & TRADE UP MONTH

Sponsored by the PGA of America, get a free club fitting from Steve. Note: Demo day is Wednesday, May 21 from 2:00-6:00. Scheduled to appear: Cobra, Titleist, Mizuno, Cleveland, Ping, Taylor Made

POSTING SCORES BEGINS APRIL 15

The first official day of the golf season as recognized by the Erie District Golf Association is April 15. All rounds played after that date must be adjusted and entered in the computer. Rounds played in southern and western areas that were considered in season at the time of your round should be posted in the order they were played. You will need the date, course rating and the slope from each club. You can also post over the Internet by going to www.GHIN.com. You will need your GHIN number. Posting Computers are available in the pro shop, and both locker rooms. Handicap cards can now be printed at the touch of a button. By using the pro shop terminal only, you will see a button named "Handicap Card". Press it and your card automatically prints. We will again be on the GHIN System offered through the Western Pennsylvania Golf Association. Under the GHIN System, you can post a score at an away course at that club you play if they are in the GHIN System. You will need your GHIN number.

All scores must be adjusted before posting as per USGA Regulations. The pro shop staff will be glad to assist you with any questions.

When posting your scores, be sure to post for the proper tees.

ETIQUETTE TIP

Ball marks always seem to be a problem. Players need to be especially aware in the spring and fall when conditions are soft and even the shortest shot can leave a ball mark on the green. Please do your part to repair your ball marks and one or two others you may see. If all players accept

this responsibility, we can solve this problem. To properly repair a ball mark, start on the outside of the mark and work the grass up. A properly repaired ball mark will have no dirt showing. Gordon has more tips on the website, lakeviewwcc.com, Turf Care / Etiquette

RULES

2008 is a year in which the USGA and Royal & Ancient make changes. There are several changes. You should consult a rule book or visit the USGA website for detailed information. Three significant changes are:

1 - You now must identify your ball in a hazard. If you play a wrong ball in a hazard there is a two stroke penalty. If you need to move the ball to identify it, you are allowed to do so but you must recreate the original lie. You should consult your fellow competitors before moving your ball.

2 - A ball in motion deflected or stopped by a player, partner, caddie, or equipment is now a one stroke penalty in both match play and stroke play.

3 - There is no penalty when a player is standing astride of a putt if he does so inadvertently or to avoid the line of another putt.

MENS TUESDAY NIGHT LEAGUE

The league is open to all members. Nine holes are played on Tuesdays starting at 4:00 until 5:45. Teams consist of five members. All members are invited to play. If you have a team or would like to join the league and be placed on a team, call Steve before the Captain's meeting. League play begins with a get acquainted night on April 29. Matches begin May 5.

LADIES LEAGUES

We have three: Tuesday Morning 18 holes (9:00 shotgun), Tuesday Morning 9 holes (9:30), and Thursday Evening (5:00 shotgun) 9 holes. Play starts the first week of May.

— Coming Events —

OPENING DAY TOURNAMENTS

Sunday, May 4

Welcome in the new season in this get acquainted tournament. There will be four-person teams that will be determined by draw. Each team will have an A, B, C, & D player based on handicap. The team scoring will be based on the three lowest net scores for each hole and then applying the Modified Point System (5 = Eagle, 2 = Birdie, 0 = Par, -1 = Bogey, -3 = Double Bogey). This event is a great way for new members to meet some of the other members. If you have not had a chance to establish a handicap at Lake View, see Steve.

The men will have a 9:00 shotgun start with continental breakfast at 8:00, and lunch is included in the \$25 entry fee.

The ladies will have their own tournament that will begin with a 1:30 shotgun start. Your entry fee will be \$10.

MEN'S MEMBER-GUEST STAG

Wednesday, May 7

Pick your own four-man team. The team may consist of four LV members, three members and one guest, two members and two guests, or one member and three guests. Entry fee is \$55 per member, \$75 for social members and guests. Entry includes lunch at 12:00, dinner, and prizes. Carts (\$16) and Skins (\$20 per team) are extra. Format will count the best two balls of four. Special prize for the scratch winner.

COUPLE'S TOURNAMENTS

Saturday, May 24

A great way to get some competition and meet some other folks. Play is 18 holes. Tee times begin at 12:30. Our first event is Saturday, May 24. Teams are determined by draw. The event is low two net scores of the foursome on each hole. Entry fee is only \$10 per couple plus an optional skin game.

LAKE VIEW CHARITY PRO AM

Friday, June 6

The Pro Am raises several thousand dollars for local charities. The Committee will be meeting in early April to determine the worthy charities for the 2008 tournament. If you would like to recommend a charity, submit a proposal to Chairman Dave Lipsitz or Steve Crane by April 7. All members are invited to participate in the tournament.
