From the Pro Shop

Sam Randazzo, Golf Professional

From the President

Fall is upon us and we are all trying to squeeze in a few more rounds before the snow falls. As I reflect on this season, I must say that in my 15 years at Lake View the course has been as beautiful as ever. The greens took some time to recover from damage they suffered during the previous winter. Gordon and his crew worked hard to rejuvenate them and were successful in returning them to prime condition. The crew's dedication to their craft ensures that Lake View is the area's premier golf course. We are fortunate to have such a talented team!

This year brought with it a bit of a learning curve. New management and staff in the clubhouse and pro shop had to acclimate. The Board, Sam, and I realize that efforts were made to accommodate members. That being said, we fell short in certain areas, particularly when it comes to service. A plan is in action to remedy these concerns and we hope to have them resolved by the spring.

We have holiday activities planned in November and December. Please keep an eye on the Lake View app for announcements. Chef James never fails to cook wonderful

Thanksgiving and Christmas dinners! Please call Stephanie as soon as possible if you are interested in booking a holiday party to secure your desired date and time.

Your President,

Dr. Eric VanDamia
